

Senior Equipment Operator

Job description

Senior Equipment Operator with Class A CDL - Join Our Team!

Are you an experienced Equipment Operator with a Class A Commercial Driver License? We want you to be a part of our dynamic team! We are currently seeking skilled professionals to perform a range of site work excavation tasks, including lot clearing, rough grades, septic installations, culvert work, and final grades.

Key Responsibilities:

Professionalism and Safety: Display a professional and courteous attitude towards co-workers, supervisors, and the public at all times.

Demonstrate a general understanding of technology, including smartphones, tracking applications, uploading pictures, and the use of daily logs for work tracking.

Technical Skills: Read and interpret site plans, working with a laser, and executing sitework procedures while adhering to project standards.

Safely operate heavy equipment, such as skid steers, in close proximity to other equipment and the public.

Maintenance and Vehicle Operation: Perform daily maintenance on vehicles and equipment to ensure proper and safe working conditions.

Drive company vehicles, including tri-axel trucks and trailers, to transport materials to and from construction projects.

Hold a valid Class A CDL with a good driving record, ensuring compliance with DOT regulations.

Knowledge of chaining and binding equipment being transported.

Safety and Compliance: Conduct daily safety checks on fluid levels, inspect for leaks, and examine for damage to vehicles before operation.

always Demonstrate adherence to safe work practices, addressing unsafe behaviors when observed.

Ability to climb on and off heavy mobile equipment safely.
